

Inno Space STEM Network - STEM Talent Scheme

Leverage STEM Education Resources to Empower Your Students!

Hong Kong Productivity Council (HKPC) Inno Space is committed to be the STEM and Innovation Hub in Hong Kong through building a community of STEM educators, schools, universities, startups, makers, and designer. We are launching the **STEM School Talent Scheme (STS)** as a comprehensive solution package for local primary and secondary schools with support in STEM education, industry exposure of cutting-edge technologies, design and prototype workshops, as well as advisory and support to schools.

Located on the 1/F and LG1 of the HKPC Building, Inno Space occupies an approximate 8,000 sq.ft. and is comprised of three areas: Inno Network, Inno Idea and Inno Prototype. Inno Space offers a variety of facilities and services to its members, including but not limited to prototyping equipment, event space, workshops and seminars.
