# F1 IN SCHOOLS HONG KONG TRAINING SERIES

F1 in Schools is an all-round STEM programme, providing students with experiences in Engineering Design, Vehicle Fabrication, and Racing Competitions. It also teaches students Marketing Promotion and Presentation Skills, enhancing their diversified development and preparing them for future careers. Upon completion of the course, teams have a chance to upgrade to Professional Class and compete for a spot representing Hong Kong, China in the "F1 in Schools World Finals 2025"!
