Trainers' Profile

Patrick Tsoi - CEO of ESG and Green Finance Limited

Patrick is a trainer with over 25 years hands-on IT, green technology and big data experiences. He is a Doctor of Education candidate from Hong Kong Baptist University and Master in IT Education graduate from the Hong Kong University. He is the founding member of GBA Carbon Neutrality Association and Deputy Director of Training Department in The Greater Bay Area Big Data and AI Association.

PeiYin Tong - L&D, Executive Coach and Facilitator

Peiyin has more than 20 years of corporate experience, in business, regional management roles as well as an internal coach prior to venturing full time into corporate training and executive coaching. Her coaching and training clients are from energy, finance institution, pharmaceutical, and others, across different geographies.

Vince Siu - Founder & CEO, Press Start Academy

Vince Siu is an expert in gamification and learning experience design, consulting multiple organizations on developing blended learning strategies. He brings extensive experience curating and leading innovation summits and design thinking workshops, through which he co-creates high-impact customer-centric strategies with organizations in different industries and sectors.

Vivek Mahbubani - Bi-lingual Stand Up Comedian

Vivek has traveled globally to perform shows. Over the years, he has created and run workshops for educational institutions and companies seeking to develop a positive mindset, creative problem solving and improved interpersonal relationship— all skills that are required as a stand up comedian.
