

Agile Leadership

CONNECTION TECHNOLOGY 裝備未來
FUTURE SKILLS

Agile Leadership is a dynamic approach designed to thrive in today's fast-paced, ever-changing business environment. This course explores the 3 C's of Agile Leadership — Communication, Collaboration, and Commitment — which form the foundation of effective leadership in agile organisations. Participants will delve into the critical role of an agile leader, understand the 9 guiding principles, and identify the key characteristics that distinguish agile leaders. Emphasising problem-solving within agile frameworks, the course equips leaders to adapt quickly, inspire teams, and drive continuous improvement.
