Cantonese with training materials in English

Course fee

HK\$4,500 per person

Remarks

The application deadline is 3 weeks prior to the commencement date. Late submission will NOT be considered.

Starting point for a rewarding career in cyber security

Research has shown the huge benefits brought by cyber security certification to the team:

- ✓ Stronger knowledge in key areas of cyber security
- ✓ Increased confidence in handling cyber security challenges
- ✓ Higher-level in-house personnel with cyber security expertise
- ✓ Most current knowledge of the latest cyber security and privacy trends

Cyber security leaders say certification benefits organisations by:*

- ✓ Validating cyber security staff expertise for higher levels of confidence
- ✓ Providing greater confidence in cyber security strategies and practices
- ✓ Instilling confidence in their ability to conduct secure transactions and processes
